

Karana Netball Club is dedicated to the personal and athletic development of Players through the pursuit of excellence in Netball. We seek to provide the highest level of Netball training and competition.

Players will learn and be reminded often of the value of important principles such as hard work, commitment, perseverance, and teamwork. To that end, a commitment to the Karana Netball Club, by each team, the coaches, and the teammates and their families is required of every player and her family. We realize that participating in Karana Netball Club is a substantial time and financial commitment. FINANCIAL CONSIDERATIONS:

1. Participation in the Karana Netball Club requires the payment of the club season fee. The season fee may be paid as per the club's payment fee schedule. Any player whose account is not paid by the date set by the Treasurer may not be allowed to practice or participate in training or Games.
2. Players nominating for State League and Development Teams acknowledge that they will incur additional costs by participating at this level of netball i.e. Travel, Accommodation, Primary Carer. Players may offset these additional costs by obtaining Sponsors. (Details available from Karana Sponsorship Director /Treasurer)
3. Accepting a spot on a team in the Karana Netball Club, as demonstrated by completing of the Player Nomination Form and payment of initial fees, represents a commitment to Karana Netball Club for the entire season. Based on these commitments, the club makes payments for registrations, insurance, TNL expenses which are often not recoverable. If a player withdraws from Karana at any point during the season, that player and her family are still obligated for the payment of all fees for the season. No refunds will be provided, nor will any funds be returned because to do so would unfairly increase other players' fees.
4. In order to continue to fulfil our obligations to our players, Karana Netball Club may seek legal recourse to recover any unpaid fees from Players who have not fulfilled their financial obligation to Karana Netball Club for the season.

I have read the preceding, and I understand the scope of my commitment and my obligation to the Karana Netball Club.
